

SENIOR PORTRAITS

We pride ourselves on portraits that both you and your Mom will love. We understand your need to have unique and individual portraits but know that Moms style is different than yours. We will shoot several different poses so you each will find something you love. Our packages are designed to make sure you each get what you want in prints.

We begin by photographing you inside on an oil painted background. Shirts and ties are great for the guys; dresses or blouses are good for the gals. Sweaters always look nice both indoors and outdoors. Then we go to one or two locations that work great for outdoor portraits. You are welcome to have another outfit for the outdoor shots, but keep in mind there is no place to change clothes once we get outside. You might consider bringing along a jacket or sweater to change the looks of your outdoor photos.

It is the Senior's responsibility to order the yearbook wallet at least 2 weeks before the deadline and it is the Senior's responsibility to deliver the wallet to the appropriate office.

Parents are invited to the portrait session. Call for your appointment 206-9999.
